

NrG Notice Subscription

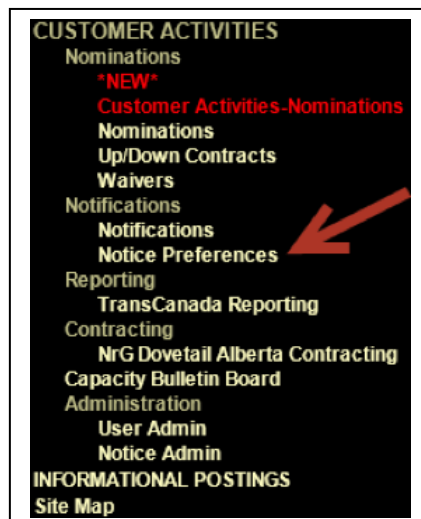

Tolls, Tariff, Facilities & Procedures Committee

A valid NrG account is required to sign up for NrG notices. Your company's administrator of the TransCanada Call Centre (nominations@transcanada.com) can assist with getting you set up with an dID and password. Once you have your NrG ID and password, please follow the steps below to activate your subscription:

1. Log in at www.nrghighway.com.
2. Select "NGTL" from the pipeline section box.

3. Choose "Notice Preferences" from the Customer Activities section.

4. Ensure your personal information is correct and updated as required. The email you provide is where the notifications will be delivered so it is imperative that this information is accurate.
5. Use the check boxes to select the notice types you wish to receive. The most common NGTL notices are Capacity Constraint, Other* and Tolerance Change.
